

LOS ANGELES COUNTY  
DEPARTMENT OF PUBLIC WORKS  
FLOOD MAINTENANCE DIVISION

**MULLALLY DEBRIS BASIN - SEDIMENT REMOVAL AND DISPOSAL  
STARTING MONDAY, DECEMBER 27, 2010**

The Los Angeles County Public Works Department will conduct a sediment cleanout of the Mullally Debris Basin in La Canada Flintridge starting Monday, December 27, 2010. The cleanout is expected to take about one week to complete, depending upon weather conditions. The sediment will be taken to the Dunsmuir Sediment Placement Site (SPS) in Glendale along the route described below and as seen on the map. County crews and contractors are scheduled to work weekdays from 7:00 a.m. to 6:00 p.m.

**Routes:**

From Mullally Debris Basin to Dunsmuir SPS:

- Manistee Drive to Ocean View Blvd., to the Foothill Freeway west, to Pennsylvania Ave., to Foothill Blvd., to Boston Ave., to the SPS entrance.

From Dunsmuir SPS to Mullally Debris Basin:

- Markridge Rd., to Boston Ave., to Foothill Blvd., to Pennsylvania Ave., to Foothill Freeway East, to Ocean View Blvd., to Manistee Drive.
